# The Wings..

## **Slathered, Dipped, and Downright Delicious**

With a variety of hot and zesty sauces on the menu -- including Chipotle Hot Pepper and Classic Kansas City styles -- there's plenty to get your mouth watering at any All Dem Wings® establishment.

Wings would be a narrow version of themselves without dipping sauce, which is why a bevy of blue cheese, ranch, and other dressings come alongside your order.

To order for your event please call 703.478.4961
